Join Women in Listed Derivatives (WILD) for a summer night at the ballpark as we attend the Chicago Cubs Pride Celebration at Wrigley Field! Connect with fellow WILD members and industry professionals while celebrating Pride Month with an evening of baseball, community and fun.

WILD has reserved a limited block of 20 complimentary tickets for WILD members, available on a first-come, first-served basis, so be sure to secure your spot early. We look forward to coming together for an evening at one of Chicago's most iconic summer traditions!

Tickets will be distributed via email, and attendees will need the MLB Ballpark app to access their tickets.

If the event reaches capacity, be sure to join the waitlist and we'll notify you if additional spots become available due to schedule changes or cancellations.

Please note this is a members-only event. Attendees must have an active WILD membership or complete membership registration and payment of dues upon registration.
